

"A RACE OF VULTURES . . . WHICH PERSECUTES ALL OTHERS . . ."

SAMUEL ROTH in JEWS MUST LIVE

In 1934, the New York Jew Samuel Roth, a well-known author and publisher, had a 320-page book edited by the Golden Hind Press, Inc., illustrated by John Conrad. Previously Roth had published two books in defense of his race against anti-Semitism, "Europe" (Liveright, 1919) and "Now and Forever" (McBride, 1925), Israel Zangwill used to quote those books. By studying why Jews had been unpopular in all centuries and all countries, after having examined them more carefully and having "tasted" more of them, Roth changed his opinion completely and fully approved the arguments of those who defend their countries against the silent Jewish conquest. As soon as the book was published, Roth was assailed from all quarters with ferocity and Jews tried, but vainly, to have him declared insane. The following are some excerpts of this book, "Jews Must Live:"

HYPOCRISY AND CRUELTY

"Disraeli set the Jewish fashion of saying that every country has the sort of Jews it deserves. It may also be true that the Jews have only the sorts of enemies they deserve, too."

"Jewish history has been tragic to the Jews and no less tragic to the neighboring nations who have suffered them. OUR MAJOR VICE of old, as of today, is PARASITISM. We are A PEOPLE OF VULTURES living on the labor and the good nature of the rest of the world."

"But despite our faults, we would never have done so much damage to the world if it had not been for our genius for evil leadership . . . Granted our parasitism. Certain germ-parasites are essential to the steady flow of blood through the arteries of an organic body. The shame of Israel comes not of our being the BANKERS and the old clothesmen of the world. It comes, rather, of the stupendous hypocrisy and cruelty imposed on us by our fatal leadership, and by us on the rest of the world."

"For the first of all Jewish creeds is that Jews must live. It does not matter how, by what, or to what end. Jews must live. And so a return was made to the ancient policy of conquest by the more peaceful and delicate methods of cheating, lying and pimping."

ANTI-SEMITISM

"Here I merely wish to reaffirm the fact that anti-semitism is so instinctive that it may quite simply be called one of the primal instincts of mankind, one of the important instincts by which the race helps to PRESERVE ITSELF AGAINST TOTAL DESTRUCTION. I cannot emphasize the matter too strongly. Anti-semitism is not, as Jews have tried to make the world believe, an active prejudice. It is a deeply hidden instinct with which every man is born. He remains unconscious of it, as of all other instincts of self preservation, until something happens to awaken it. Just as when something flies in the direction of your eyes, the eye lids close instantly and of their own accord. So swiftly and surely is the instinct of anti-semitism awakened in man."

PERSECUTORS

"Have not Jews been admitted from time immemorial, freely, kindly, almost happily by every nation at whose gate they have knocked for admittance? The story of the Jews, as they have themselves written it out, has always gone out ahead of them, to spread through the foreign peoples and evoke in their minds curiosity and pity. Have the Jews ever had to petition a country for admission — the first time?"

"Read for yourself the story of the progress of Jewry through Europe and America. Wherever they come they are welcomed, permitted to settle down, and join in the general business of the community. But one by one the industries of the country close to them because of unfair practices . . . until, it being impossible to longer hold in check the

wrath of a betrayed people, there is violence and, inevitably, an ignominious ejection of the whole race from the land. There is not a single instance when the Jews have not fully deserved the bitter fruit of the fury of their persecutors.

"We come to the nations pretending to escape persecution, we the most deadly persecutors in all the wretched annals of man."

"The disease is a sort of moral gonorrhea known as Judaism, and seems to be, alas, incurable. The results as any good doctor will tell you, are invariably treacherous and unhealthy. If you are in doubt take a look at any Jew-ridden country in Europe. If you need to be further convinced, take a look at what's happening in America."

THE CARDINAL PROFESSIONS

"There would not be so much harm in the Jews taking in such immense droves to the practice of the cardinal professions if they approached them in the proper spirit. But the Jew does not, cannot, turn to the law with anything like reverence for the profession or for its splendid traditions."

"The attitude of a young Jew towards his profession is really like that of a gangster towards a new racket. The real end is the amount of money it is likely to yield him in exchange for the smallest investment of labor and enthusiasm."

"The Irishman, the Italian and the Greek become criminals out of sheer necessity, and remain so only as long as the necessity lasts. As in every other thing the Jew touches, he immediately conceives of it as a career."

"It is my honest belief that nothing the Jew does in America is essential to its welfare. On the contrary, a great deal of what the American Jew does is subversive of America's best interests."

"The Jew in America is forever engaged in the fascinating pursuit of creating everything he needs out of nothing — his modest opinion of the gentile world about him."

THE JEW IN BUSINESS

"America is full of businesses bearing old Christian names, but which are really owned and run by Jews. Most of them have been acquired in the manner I have just described, the way the Jew creates something out of nothing (slow strangling).

"The Jew better than anyone else in the world knows how to dispossess the poor and the members of the middle classes. To fit this case, the old P. T. Barnum adage needs only a little changing. A gentile enters business

every minute, with two Jews waiting to take him out of it."

"We see the Jew, in business, as promoter, money-lender, salesman par excellence, the author and chief instigator of a system of credit by which a nation-wide usury rises like a Golem with a million hands on a million throats, to choke the honor and the freedom-of-movement of hard-working people."

"Judaism is not a religion, but a misfortune", said Heine in one of his bitter moments. He was thinking of his own unhappiness, however. No one has as yet calculated the extent of its misfortune to the rest of the world".

LOYALTY, A CASE FOR DISMISSAL! —

Rabbi Stephen Wise, Zionist Leader, is the Editor of the Monthly Magazine "Opinion."

The April (1937) number carried the mention of three prizes awarded to writers on the subject: "The Way To Combat Anti-Semitism". One prize-winner, Rabbi Victor Eppstein, proposed:

"The present program of palliative relief must give way to a program of fundamental reconstruction. American Democracy MUST BE SOCIALIZED by subjecting industrial production and distribution to the will of the people's Congress. The first step is to ABOLISH the Federal veto and to enlarge the express powers of the National Government through immediate constitutional amendment. A GRADUAL MARCH IN THE DIRECTION OF SOCIALIZATION WILL FOLLOW. At the same time, energetic measures must be adopted to prevent the inevitable reactionary attempt to overthrow democracy. In Spain the Government found it necessary TO ARM ITS WORKERS. In America, let it be beforehand by strengthening the organization of labor; AND BY SYSTEMATICALLY REMOVING FROM KEY POSITIONS IN ARMY AND NATIONAL GUARD ALL OFFICERS WHOSE LOYALTY TO THE CONSTITUTION MAY BE QUALIFIED BY CLASS ALLEGIANCE."

London Jewish Savant, Dr. OSCAR LEVY, in "The World Significance of the Russian Revolution", says: "We Jews have grievously erred. We who have posed as having given to the world 'the' Saviour, are today nothing else than its seducers, its destroyers, its incendiaries, its executioners. We who have promised you a New Heaven, have given you A New Hell".

The Jewish Encyclopedia states concerning the Talmud: "For the majority of Jews, it is still the supreme authority in religion . . . It occupies a prominent place in the curricula of the Rabbinical Seminaries." Rabbi Morris N. Kertzer, Director of Interreligious Activities of The American Jewish Committee, stated in his article titled "What Is a Jew" published in Look Magazine for June 17, 1952: "The

Talmud consists of 63 books of legal, ethical and historical writings of the ancient rabbis. It was edited five centuries after the birth of Jesus. It is a compendium of law and lore. It is the legal code which forms the basis of Jewish religious law and it is the textbook used in the training of rabbis." The Talmud has been condemned by Popes and religious leaders from the time of Christ to date.
